Foreward

With the passing of time, the echoes of our school life will grow fainter and fainter and then die away like the school day memories of our grandparents. We hope, that in this year's '58 MEMORIES, we may bring back some of those lost echoes. Now, as you turn these pages, compare the echoes of our last year with the echoes of the past.

Dedication

A black and white photograph of a modern church interior. The view is from the back of the sanctuary looking towards the altar. The ceiling is a high, vaulted structure with exposed wooden beams and a dark, shingled interior. The walls are made of vertical wooden planks. In the center of the far wall is a large, simple wooden cross. Below the cross is a low, wide altar with a small plaque that reads 'IHS'. To the left of the altar is a small, arched window. To the right is a decorative structure made of small, square tiles. Rows of wooden pews are visible on both sides of a central aisle, leading towards the altar.

We, the annual staff
of 1958, feel that spiritual
guidance has been and is an essen-
tial factor in our lives and the lives
of our classmates; therefore, we dedicate
this yearbook to the CHURCHES of our community.

I, MARVIN BENNETT, will my ability to get the "Little Old Man" parts in the school class plays to Johnny Clague.

To Mrs. Godby, JOHN BINNS wills a package of "hot gum." Now you can make trips to the waste-basket instead of me in the study hall.

To Mr. Ortner, goes JERRY BOYLE'S suave ways and infectuous grin.

I, JOHN BRUNSMANN, will my ability to "cat" around in my Ford looking for ??? to Harlan Griffin. Keep your eyes on the road, Harlan!

CAROLYN BRADSHAW wills her ability to play the saxophone to Delores Brown.

A slush-pump (trombone) is willed to Jerry Clifton from RUTH CRAWFORD. We hear he is windy enough to blow it.

I, JOAN DUFF, will my diamond to Lila Mintle.

DEAN ERB wills his track shoes to anyone who takes Chemistry next year, so that they will have a fair chance in the race to the lunchroom each noon.

"Safe Driving Techniques" goes to Stella Lane from WAYNE FASTLE. Do be careful!!!

JEAN FEGAN wills her love of art to Alvin Rater. Don't draw too many girls!

I, JOHN FREDERICK will my ability to lift motors to Larry Hougham. Also I will my ability to not get along with girls to anybody thats a woman hater.

FREDA GONSETH will leave for "Winterset," but before she goes she is leaving her ability to whisper in Mrs. Godby's study hall to anyone that can get by with it. She also wills her Bookkeeping Practice Set to the unlucky seniors next year that take it.

ROBERT KIRSCHER wills his ability to run up and down the stairs to Mr. Ortner. Don't trip and fall.

LARRY SPENCER wills his place on the baseball team to Roger Wilkie, who is so athletic minded.

SUSAN WELCH wills her good Samsonite overnight case to Peg Kenworthy. She sure hopes you can find enough athletic tape to hold it together for another 3 years. Don't forget and tape this excellent handle shut!!

Prophecy of 1968

Here it is, the year of 1968. The class of 1958 has planned a class reunion. All of the members of the class are coming. Many have come from far away to be here. Why don't we join them and see how they have fared in the world?

DONNA ADKINS is carrying on the tradition of keeping the town of Pitzer alive by having a large Super-Market there.

JOHN BINNS has returned from Arabia, where he left his harem of 25 wives, for this reunion.

MARVIN BENNETT has just finished a picture called "The Little Old Man" starring Jayne Mansfield, Marilyn Monroe and himself.

BILL BOND has just returned from his world-wide tour on which he drove his diesel-powered tricycle.

JERALD BOYLE is now chief stylist at Chrysler Corporation, which has just come out with the new Super Duper Futuristic Car of the future. Cars now have eight headlights and are so low that you lay down on the sidewalk and roll in.

CAROLYN BRADSHAW took time off from her nursing career to attend the reunion. She is a private nurse to a high school principal who is worrying about falling hair.

JOHN BRUNSMANN came from California where he is a farm manager.

NANCY CLARK also took time off from her nursing career. She is the head of the Nurses' Staff at the Surgical Institution in the city of Garretville.

RUTH CRAWFORD has come from her teaching career. She teaches commercial subjects and is a recruiting officer in the newly formed Women's Air Force Reserve.

JOAN DUFF tells us she spends all of her time taking care of her triplets.

DEAN ERB has been competing in the 1968 Olympics in Eurpoe. Wait a minute! We have just received a telegram! He is returning home for the reunion, with you guessed it, Another broken leg!

WAYNE FASTLE came from his small farm of 1000 acres. He has great hopes of catching up with Hunters in a few years. He also has a little sideline of designing and repairing foreign sports cars.

JEAN FEGAN is a famous dress designer who has just returned from Paris with a new creation.

JOHN FREDERICK flew here in his jet plane. He is a jet pilot in the Air Force.

FREDA GONSETH didn't have far to come. She is a private secretary to three millionaires in Des Moines.

ROBERT KIRSCHER is home on furlough. He has made the Armed Forces his Career.

KAREL KOBOLDT took time off from her business to be here. She is now the president of the Earlham Pedigree Company which she founded. Some of her prominate customers are Miss Diana's Cat Heaven and the Payne Sheep Ranch. The company motto is: "We can write a pedigree for anything."

JANET LEEPER and CAROLYN POWELL are here from their jobs. They were the starletts of the Senior Class play of 1958 and are now members of the Grand Ole Opry touring the country.

DWIGHT LETZ came from his barber shop. He only had one wish when he left E. H. S. ten years ago. It was to be a barber and get a hold of Larry Houghman.

KEITH MAPES arrived very sadly. He was the first highway patrolman to lose all of his points.

DEAN NELSON is now a big game hunter.

DIANA NELSON, Now president of the World-Wide Cat Association, has just returned from Switzerland. She brought with her a pair of cats noted for there ability to climb mountains.

CHARLES NIERMAN is having his last visit with the class of 1958. He is to be a grease monkey on the muffler-belt of the first rocket to Mars. Happy Landing.

TRUMAN PAYNE is now joke man for the highest paid comedian in Hollywood. He came to the reunion to see if anyone knew of any jokes he hadn't heard. Truman runs a barber shop on the side, but rarely visits it.

CONNIE PIATT who owns a large share of the Curtiss Candy Company, took time off from her copy-girl job at the Madisonian office to be here.

PAT ROSS joined us from her nursing career. She takes care of the Man in the Moon and all of his kids, who aren't suffering from Earth Fever.

DIANE SLATER left her little mint-green ranch type house, climbed into her 1968 black Chevy and came to the class reunion leaving her two basketball teams at home. She has five boys and six girls.

BOB SLOAN came from his headquarters in New York to this reunion. He is now the writer of small children's books. He was one of the better English students at Earlham High ten years ago.

WILLIS SMITH arrived in one of the planes of the airline of which he is now the twentieth vice-president. He joined the airlines ten years ago.

LARRY SPENCER came from Columbia University where he is the Doctor of Mathematics.

SUSAN WELCH has just returned from Alaska to this reunion. There she had a group of Camp Fire Girls on a camp out.

Well everyone is here. See you at the next Reunion of the class of 1958.

The Earlham F.F.A. Chapter is one of the most active organizations in Earlham High School. Each year the F.F.A. selects a high school sweetheart, and presents her with a jacket at a school dance which is sponsored by the F.F.A. They also choose a project to work on throughout the year. They also do many other community services, such as soil testing, spraying grasshoppers and weeds, and making seed germination tests.

Most of the games were played on their opponents floors, due to the construction of a new gym, but when we opened at home for the first time, we opened with a bang--a triple overtime, sudden death win from arch rival --Dallas Center.

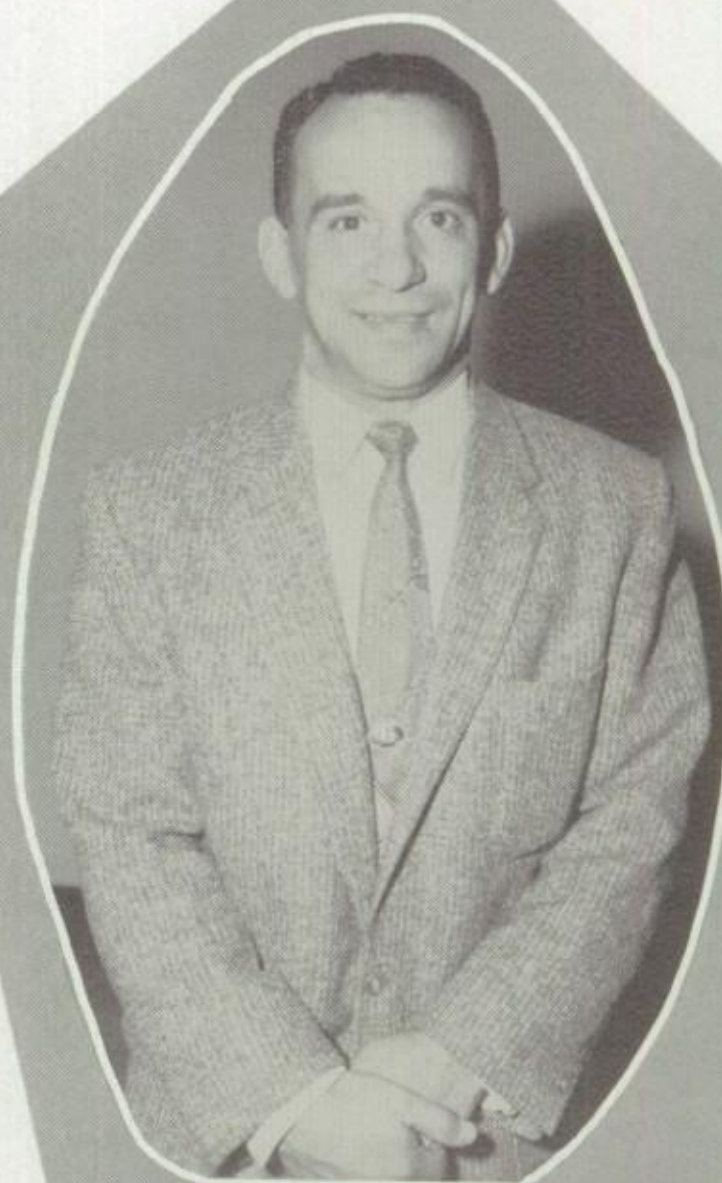

The Card's second team played the first game in the new gym.

A tense moment as Dean Nelson steps to the line to break a tie game.

The Bruisers

Earlham started their season scoring 64 points to their opponents 6, in the first three games. Their next rival was Woodward where they were defeated 7 to 18. They then, made a comeback with a 6 to 0 victory over Panora. After that, hampered by sickness and injury they lost the next three games to make a season average of 4 wins and 4 loses. The traditional game with Dexter was postponed due to sickness on the Dexter team.
